Deluxe Monitor Arm

The Deluxe Monitor Arm is purpose-built to support larger, heavier screens, including ultra-wide monitors. Engineered with a robust structure and optimised tilting mechanism, it provides smooth movement, reliable stability, and ergonomic screen positioning for monitors up to 49 inches.

Designed for quick and user-friendly installation, it features a quick-release VESA plate and a topside installation base for added convenience. Finished in matte black, the Deluxe Monitor Arm integrates seamlessly into modern workspaces, delivering the perfect balance of strength, functionality, and refined aesthetics.
