Mobile Metal Frame Storage Trolley

The Mobile Metal Frame Storage Trolley provides a durable and flexible storage solution for classrooms, libraries, activity areas, and other education environments. Constructed with a strong powder-coated metal frame, it is designed to withstand regular use while keeping learning materials organised and easily accessible.

Mounted on lockable castors, the trolley can be moved effortlessly between spaces and secured in place when required. Compatible with colourful tote trays, it allows resources, stationery, and classroom essentials to be sorted efficiently while adding a bright, engaging element to the learning environment. Practical, mobile, and easy to reconfigure, the Mobile Metal Frame Storage Trolley is ideal for dynamic education spaces.
