# M-Series Sit- Stand Desk With Castors Collection

The M-Series Sit-Stand Desk With Castors Collection combines high-performance ergonomics with the flexibility required in modern commercial workspaces. Designed for intensive daily use, the collection features a 220kg load capacity, internal heavy-duty motors, smooth electric height adjustment, programmable memory presets, soft start/stop technology, and AFRDI certification for dependable commercial performance.

Available in standard desk and corner desk configurations, the range supports everything from individual workstations to larger multitasking and dual-monitor setups. Integrated lockable castors allow desks to be moved and reconfigured with ease, then secured firmly in place during use.
