Device Hub Collection

The Device Hub Collection provides secure, compact storage for personal devices in offices, schools, universities, libraries, staff areas, and shared commercial environments. Designed for everyday use, the collection includes phone lockers and laptop lockers, offering practical storage options for different technology needs.

Each locker features clear Perspex doors for easy visibility, quality hinges for reliable performance, and numbered tags on both the door and key for simple identification. With a clean and functional design, this collection helps keep devices organised, protected, and easily accessible in busy shared spaces.
