Alene Laptop Table

The Alene Laptop Table is a compact and practical solution designed to support flexible working in modern commercial interiors. Featuring an 18mm E0-rated Enviroboard top with matching edge tape, it offers a clean, durable surface suited to laptops, tablets, notebooks, and everyday work essentials.

Available with a black or white powder-coated underframe, the Alene combines stability with a streamlined, contemporary appearance. Its compact footprint makes it ideal beside lounge seating, in breakout areas, waiting spaces, informal meeting zones, and collaborative environments. With its simple, versatile design, the Alene Laptop Table provides a convenient work surface without taking up unnecessary space.
