P Series Mobile Pedestal

The P Series Mobile Pedestal Collection offers practical, secure, and flexible under-desk storage for modern commercial workspaces. Available in Standard, Slimline, and Compact models, the range provides options to suit different workstation sizes, storage needs, and office layouts.

Delivered fully assembled and fitted with smooth-rolling castor wheels, each pedestal is designed for everyday convenience and durability. Ideal for fixed-height desks, sit-stand workstations, hot-desking areas, and shared office environments, the P Series keeps documents, stationery, and personal items organised while maintaining a clean, efficient workspace.
