Ultra Sit-Stand Desk Collection

The Ultra Sit-Stand Desk Collection is designed for high-demand workplaces, combining ergonomic flexibility with a robust lift capacity for exceptional stability. Ideal for single users, shared workstations, and corner setups, it supports heavy equipment without compromising smooth, quiet movement throughout the day.

The electric height-adjustment system features soft start and stop motion, anti-collision technology, and overheat protection for safe, consistent, and reliable operation in busy commercial environments.

A digital memory control panel allows users to save preferred heights, making it well-suited for both individual and multi-user environments, while promoting comfort, productivity, and long-term workplace wellbeing.
